

HUMBERSIDE COUNTY NETBALL ASSOCIATION

WINTER LEAGUE

2023/24

INFORMATION BOOKLET

Foreword

Humberside County Netball Management Board would like to take this opportunity to acknowledge all the hard work carried out by our volunteers who contribute to the smooth running of netball within our county.

Whether you are a committee member, an organiser, a secretary, a team manager, a coach, an umpire, a scorer, a parent or a player; your contribution has been vital to getting us to this point and there is so much more netball competition to look forward to in what has always been and is, a very well structured and organised league. Long may it continue.

If you think you can help in any way with the day to day running of the league, thereby supporting our volunteers in Humberside then we would love to hear from you. No job is too small.

We hope that you find this handbook useful and informative, containing all the contact details and other information you require. For further up to date information, please visit the Humberside Netball Website: <https://www.humbersidenetball.co.uk/>

All that is now left to do, is to wish all the teams, in all divisions competing in Humberside Netball Summer League 2023, the very best of luck in all your matches this season.

Thank you.

Humberside County Netball Association.

Humberside County Netball Association - League Rules for Winter 2023/24

1. Each match should be confirmed by the home secretary 7 days prior to the fixture and notification must be given in advance if the match is to be played outside. Whichever form of communication you use, please ensure you get a reply. HCNA suggests to the away teams, that if you do not receive confirmation by the home secretary, then you should contact them to confirm.
2. Secretaries are responsible for sending in their own result card, this must include the names of both umpires and team captains. The result card, duly completed should be sent into the WhatsApp group created for SCORES ONLY within 7 days of the date of the match, failure to do this may result in disqualification.
3. League matches must be four quarters each of 10 minutes duration. Any team arriving on court later than 15 minutes after the stated time of commencement, must forfeit the points, a shortened match is not acceptable.

5 Points for a win. 3 Points for a draw. 2 Points for losing within and including 5 goals and 1 point if you score more than 50% of the oppositions score.

Injury time for each match will be:

Once the clock is stopped for injury, a player must either be treated, or leave the court within 30 seconds, or as quickly as is reasonable possible.

4. Matches may not be cancelled or postponed unless opponents are given 7 days' notice, with the exception of extreme bad weather. Matches must be re-organized at the time of postponement of the original match. A match may not be cancelled more than once by each team. In the event of a match not being able to be rearranged the cancelling team will forfeit the points.
5. Points can only be forfeited twice in one season. Noncompliance will result in disqualification from the League, and all points will be void.
6. Clubs must wear distinguishing colours. Where 2 team's colours clash, the home team must be responsible for a change of colour. Bibs must be worn and must have position markings front and back. If this rule is not adhered to, the team will forfeit the points.
7. Umpires: All teams in summer Division 1, 2 and 3 require a C Award or above. Division 4 and 5 require an England Netball, Into officiating assessed umpire since July 2018, or above. Division 6 and below can use Training Umpires, or above, provided they have attended an England Netball Officiating Course since July 2018. If no umpire arrives, the team must play one short so that one of their players can umpire, providing she has the relevant qualification. No match is to be played without 2 umpires, and the same 2 umpires must officiate throughout the match. Any match can be used by the Officiating Secretary for assessing purposes.

8. The maintenance of discipline and control of the game is the responsibility of the umpires. Inappropriate language and conduct will not be tolerated. The umpire's decision is final. If a complaint is to be made regarding matters in the League, this must be in writing to the League Secretary, within 7 days of the match. The complaint will be dealt with by the HCNA League Sub Committee, or the HCNA Disciplinary Committee.

9. All umpires and coaches participating in the County League MUST be a personal member of an affiliated club.

10. All players participating in the Humberside League must be a personal member of an England Netball affiliated club, and a named member of a Humberside club. They must have paid the England Netball fee, Yorkshire Regional fee, and Humberside County fee. This League is for single sex competition. All players must be year 10 or above, 2 year 9 players may be age banded up for any match. Age banded forms must be sent to the League secretary before they play. If a player plays who is not affiliated, the points for the offending team will be deducted, the oppositions points and goals scored for both teams will still be allocated.

11. Any player who wishes to play in the Humberside League, but is affiliated to a Club not in Humberside, must 2nd claim to the Humberside club, pay the Yorkshire Regional fee, and the Humberside County fee.

12. A player can only play for 1 club in the League, but should a player wish to change clubs during the season, you must log on to ENgage and attach the player to their new club, also notify the League Secretary in writing. This must be done before the player can play for your club.

13. All Clubs entering the league:

MUST complete a Team Registration Sheet and register the players in EACH TEAM, and send to the League Secretary before the League starts.

A player from a club's higher division team cannot play in their lower division team.

A player from a lower division team can play up into any of the higher division teams for up to, and including, 8 quarters, on the 9th quarter she then becomes a member of a higher division team of her clubs choice. (This includes junior players playing up into senior teams).

If a club has more than 1 team in the same division, a player can only play for one of those teams during that season.

A player may register with one club in the winter season, and transfer to another club in the

summer season, provided she is affiliated and followed the transfer procedure (see rule 12).

14. All matches must be played during the period stated and MUST be completed by:
FRIDAY 15th March 2024.
15. In the event of a tie on points, i.e. joint positions in the division, then goal average will be calculated to give the winner.
16. All matches must be played within the England Netball Humberside designated area.
17. All interpretations and amendments of these rules will be decided upon by Humberside County Management Board.
